

```
function test_something():  
    var thing = new Something()  
    ...do some work...  
    assert_equal(thing.method(), 5)
```

THESTOCKCASE

TEST CASE

```
function test_something():  
    var thing = new Something()  
    ...do some work...  
    assert_equal(thing.method(), 5)
```
